

## Class-III

### English Grammar

(1) What is adjective?

Ans:-Words that describe the quality of a person, animals, place or thing are called adjective. Example:- Smart Boy, Big hall etc. The names of colours are also adjectives. Example:-Samira has black hair, Green Parrot etc.

Some adjectives tell us the number of nouns. Example:-Eleven students, five flowers. (These are called adjectives of numbers.)

(2) How many kinds of adjectives are there? Name them.

Ans:- There are six kinds of adjective. They are-

- (i) Adjective of Quality
- (ii) Adjective of Quantity
- (iii) Adjective of Number
- (iv) Interrogative Adjective
- (v) Demonstrative Adjective
- (vi) Exclamatory Adjective.

## Vocabulary

(1) What is Vocabulary ?

Ans:- Vocabulary refers to the words we must understand to communicate effectively.

(2) What is Prefix? Give example.

Ans:- A prefix is a letter or a group of letters which is added before a word. When we add a prefix to a word, its meaning changes and a new word is formed.

Example:- (i) Able - Unable

(ii) Complete - Incomplete.

(3) What is Suffix ? Give example.

Ans:- A suffix is letter or a group of letters which is added after a word. When we add a suffix to a word, a new word is formed.

Example:- (i) Cloud - Cloudy

(ii) Slow - Slowly.
