8.a (Try to do Exercise B and C)

PARAGRAPH WRITING

Write a short paragraph about family.

Family is a group of three or more persons living together in one home. Family can be small, big or joint family according to the number of members in the family.

Family provides love and security to all of its members throughout our lives which makes a complete family.

A good family provide lots of benefits to all its members where

everyone share the responsibilities within the family.

Every member of the family are emotionally attached to each other in their happiness and sadness. They support each other during difficult times which give the family a sense of security.

Everyone needs a family especially children and old people. A person without family is incomplete because family is an integral part of every human.
